## INFORMED CONSENT

The **lingual frenectomy/frenotomy** is a minor surgical procedure that involves clipping and/or lasering the band of tissue located on the underside of the tongue (frenum or frenulum). When this band is too tight, too short, or both, normal tongue movement is prevented.

The treatment may accomplish the following, but not be limited to:

- Allow the tongue to move in a greater range of motion
- Possibly improve breastfeeding comfort
- Possibly improve breastfeeding efficiency
- Possibly reduce the severity of speech difficulties

Complications of this treatment may include, but not be limited to:

- Excessive bleeding
- Damage to the vital structures under the tongue
- No perceivable benefit may be achieved

The **labial frenectomy/frenotomy** is a minor surgical procedure to free the lip attachment from the gums when it is too tight and/or too short. It can restrict proper lip movement and flexibility.

The treatment may accomplish the following, but not be limited to:

- Allow adequate lip flange to improve nursing effectiveness
- Reduce the pockets on either side of the frenum to prevent food trapping
- Give the upper lip more freedom of movement for speech sounds
- Possible reduction in reflux/aerophagia

Complications of this treatment may include, but not be limited to:

- Excessive bleeding
- Lip muscle damage
- No perceivable benefit may be achieved

Please note that this treatment is NOT intended to prevent a gap between the upper front teeth. If that is the goal, it may need treatment at about 11-12 years of age.

\_\_\_\_\_ I accept treatment

\_\_\_\_\_ I decline treatment

# FINANCIAL RESPONSIBILITY

## FINANCIAL RESPONSIBILITY AGREEMENT

Our credit policies have been established to ensure that the best services can be provided to you and your family and any misunderstandings can be avoided.

Our professional services are rendered to the patient and not to the insurance company. The insurance company is responsible to the patient and the patient is responsible to the doctor. You are responsible for the payment of any and all bills not covered by or paid for by your insurance company.

For your convenience, our office has made arrangements with **Care Credit** to offer low monthly payments with fixed or no interest fee plans. Ask our front office staff for assistance in applying.

We believe our fees give an excellent value for the high quality and variety of services we provide. That said, please remember that what insurance companies call "Usual and Customary Fees" can vary widely with the dental plans offered by your employer and by which plan the employee selects.

### PAYMENT IS DUE AND PAYABLE AS SERVICES ARE RENDERED

(Please indicate the manner in which you wish to handle payment on your account.)

\_\_\_\_\_ 1. I will pay in full on the date of service/treatment by check, cash, credit card, debit card or Care Credit.

\_\_\_\_\_ 2. I have insurance and I agree to pay my estimated portion the day of service/treatment by check, cash, credit card, debit card or Care Credit.

**TREATMENT PLANS:** All treatment plans given by Newman Family Dentistry are an ESTIMATE only. If you want a guaranteed price, we can submit a pre-determination to your insurance company.

**INTEREST:** We reserve the right to charge interest in the amount of 1.5% per month as provided by state law, or a billing fee of \$12.50 on accounts 30 days or older.

**CANCELLATION AND FAILED POLICY NOTICE:** Due to an increase in demand for appointments, and to help better serve all our patients, we have implemented a "Cancellation and Failed Appointment Policy." Effective immediately, all cancellations require a 24 HOUR NOTICE. If we are not given proper notice, there will be a \$35.00 charge added to your account. A failed appointment (a missed appointment without any notice) will result in a \$50.00 charge added to your account.

In consideration of treatment required, I accept full financial responsibility. Insurance forms will be completed as a courtesy to the patient; however, your estimated payment not covered by insurance is expected on the date of services/treatment rendered unless prior arrangements are made. I further agree that if this account is turned over to an attorney or collection agency, I will be responsible for all collection fees, attorney fees, and interest and court costs. I also agree to assign any and all insurance benefits to be paid directly to Don M. Newman, D.D.S., P.C. (Newman Family Dentistry).
